DUPLEX

32
Channels

To access & use repeaters your radio must be in Duplex Mode - Displaying DUP, RPT or  icon on radios screen for channels **1 to 8 & 41 to 48**.

01 to 08
41 to 48

REPEATER
Outputs

16
Channels

Including channels 5 / 35 emergency

31 to 38
71 to 78

REPEATER
Inputs

16
Channels

Don't Use Inputs For Simplex Operation.

You are being rebroadcast all over the coverage area of that repeater.
Plus you are interfering with normal operation of the repeater.
